

## Hotel Booking

In keeping with its total commitment as an online comprehensive **business directory**, one premium service offered by D3ayat to its subscribers is *hotel booking*.

Using a concise list of accommodation requirements listed by the client, our expert computer team quickly searches an extensive database of over 1,100 booking services to provide a varied selection choice to address the client's professional hotel booking parameters. Because of our marketing expertise and multiple contacts in the hospitality industry, we are able to provide unparalleled access to a wide range of previously screened quality hotels globally and within all Middle East countries.

You can feel secure in the knowledge that your hotel accommodation needs will be completely met in comfort and safety. Our evaluation personnel are trained to fully profile locations and management to insure your total satisfaction and security. Particular attention is paid to time and budgetary constraints applicable to the individual needs of our customers and their families.
